HOW TO OBTAIN WARRANTY SERVICE OR PARTS

If you have a warranty claim, notify your installer promptly.

MATCHED SYSTEM LIMITED EXPRESS WARRANTY

When the air handler is installed as part of a single family residential AHRI-matched system with a Comfort-Aire/Century heat pump, the heat pump warranty applies to the air handler under normal use and maintenance. Refer to the heat pump warranty for details.

LIMITED FIVE (5) YEAR EXPRESS WARRANTY

If the air handler is installed in a residential system other than the AHRI-matched system described above, all components are warranted to be free from defects in workmanship and materials for normal single family residential use and maintenance for five (5) years from the date of purchase by the original consumer for the original installation. This Express Limited Warranty applies only when the air handler is installed per Comfort-Aire/Century, installation instructions and in accordance with all local, state and national codes for normal residential use.

EXCEPTIONS

The Limited Express Warranty does not cover normal maintenance—Comfort-Aire/Century recommends that regular inspection/maintenance be performed at least once a season and proof of maintenance be kept. Additionally, labor charges, transportation charges for replacement parts, replacement of refrigerant or filters, any other service calls/repairs are not covered by this Limited Warranty. It also does not cover any portion or component of the system that is not supplied by Comfort-Aire/Century, regardless of the cause of failure of such portion or component.

CONDITIONS

- Unit must be operated according to Comfort-Aire/Century operating instructions included with the unit and cannot have been subjected to accident, alteration, improper repair, neglect or misuse, or an act of God (such as a flood)

If for any reason the replacement part/product is no longer available during the warranty period,

Comfort-Aire/Century, shall have the right to allow a credit in the amount of the current suggested retail price of the part/product instead of providing repair or replacement.

LIMITATION OF LIABILITY

We do not warrant that the unit is suitable for any particular purpose or can be used in buildings or rooms of any particular size or condition except as specifically provided in this document. There are no other warranties, express or implied, which extend beyond the description in this document.
